PASCO employees select Access, Inc. of Akron, Ohio

Hudson, March 1, 2010: PASCO® announces Access, Inc., located in Akron, Ohio for this year's corporate charity. PASCO®'s first playground build took place in 1995. This fifteen-year tradition has produced twelve playgrounds for charitable organizations throughout Northeast Ohio.

This year's playground build will take place in early fall at Access. Formed in 1983 to meet the need of homeless women and children, the Akron Catholic Commission, at the time, formed the core of **Akron Citizens Coalition for Emergency Shelter Services (ACCESS)**.

The center presently operates an emergency shelter for single adult women and mothers with their children. The agency encourages the development of self-esteem and promotes the attainment of self-sufficiency through its commitment of providing a safe, supportive and holistic environment accomplished through programs of housing, education, advocacy and empowerment.
