PRESS RELEASE

PASCO Announces Recipient for 2011 Playground Build

PASCO employees select Hudson Community Playground (A Leadership Hudson Project) of Hudson, Ohio

Hudson, January 3 ,2011: PASCO® announces Hudson Community Playground (A Leadership Hudson Project), located in Hudson, Ohio for the company's 2011 corporate charity. PASCO®'s first playground build took place in 1995. This tradition has produced sixteen playgrounds for charitable organizations throughout Northeast Ohio.

The \$250,000 playground build will take place in the early fall at the site location on Veterans Parkway in Hudson. Formed in 2009, the Hudson Community Playground Committee has completed the land purchase and development as well as the architectural design of the playground. The committee's primary objective was to provide a fun and safe new playground for the children of Hudson and neighboring communities.

The playground will feature ADA accessibility, composite recycled materials, a segmented tot and pre-teen area as well as musical and educational components, and popular water features (mistlers and a splash table).

Interested charities who would like to learn more about PASCO®'s Corporate Charity program should email our Corporate Charity team at charities@pasco-group.com or aspitalieri@pasco-group.com or call 330.655.7164.
