PRESS RELEASE

PASCO Announces Relocation to new Operation Center.

Hudson, September 1, 2018:

Effective September 1, 2018 PASCO will be moving to a new Operation Center. We are moving within one mile of our current offices. The move is being made to better align our physical space requirements with the support required by our clients. Our new location will be 5600 HUDSON INDUSTRIAL PARKWAY, Suite 200, Hudson, Ohio 44236.

PASCO has been a resident of Hudson since 1986. After renting space for four years, PASCO built a facility in 1990 and remained there until selling to the City of Hudson.

About PASCO®

PASCO® provides outsourcing solutions to state government and financial institutions through two operating companies, Validati® and CELCO™. Validati specializes in tracking collateral to determine compliance with insurance regulations for both state government and financial institutions. CELCO provides debt recovery solutions for state and local governments. Both companies have a national client base. Our Information Solutions group also performs general outsourcing solutions for other affiliate businesses.
